Welcome to the 2007 Season of the Collingwood Optimist Youth Soccer League!!

Dear Sir/Madam:

It is at this time of year we actively solicit your ongoing support for our league. In Collingwood, as in the rest of Canada, soccer continues to grow at a tremendous rate. Without the support of companies, businesses and organizations like yours this growth would not be possible.

In our ongoing effort to endorse our Sponsors we are offering ways to promote your company, business or organization. Our League, thanks to the generosity of Grant Internet, has had it's own website for a number of years (<http://www.georgian.net/youthsoccer/>). We will be providing a sponsorship page complete with logos, web links and email address! Please submit any desired information with payment, we will be pleased to post on the site.

A Sponsorship Board has been put up in our league office, please stop by and visit us and feel free to place information about your business/organization. The office will be the 'hub' of soccer activity throughout the year.

Effective for 2007, all jerseys will be kept by the player at the end of the season. This will increase your business profile outside of the soccer season!

Please take time to fill out and submit the information below by **February 26th, 2007**. Please send to address above.

Company/Business –	Address - _____ _____
Email - _____	Website - _____
